English Translation

Dear St Paul's CWL,
Loving greetings to you from Ponswathi. I am studying B.B.A (Bachelor of Business Administration) year 2. All the members in the family are fine. Due to COVID'19 pandemic all the colleges were locked down. But, I attended online classes. I had no smart mobile. So I requested Chalice staff to provide me a mobile through my mother. She requested and I received a mobile from DFF money. During this lockdown my mother had minimum days of work. So we had to undergo difficulties in fulfilling our need for food, dress and medical expenses. DFF money was helpful during the COVID'19 pandemic period. One of my relative's daughter attained puberty. I accompanied her for a week in her house. I am happy that we are all staying safe and healthy. We wish you the same. Be assured of our prayers.

Thank you
With Love & Prayers
HBC1258 Ponswathi.
